

For seven years I was the FCRSA Conformation Statistician. I entered all of the Best Of Breeds and Group placements for all of the Flat-Coats in the country. With this national perspective, I surveyed the results for our own club. Have you ever wondered what the odds are of winning Best of Breed at our supported entry? Best Of Opposite? The CRFCRC has held 25 FCRSA Supported Entries. The first one was held at the Chesapeake Kennel Club in November of 1994. I took a close look at the 6 wins (BOB, BOS, WD, WB, RWD, RWB) awarded at each of the supported entries to come up with the odds of winning these awards. After entering in the data for 125 awards, I looked at each by owner, by award and by dog. I discovered that I really needed more data to calculate the odds so instead I decided to just report the results. The information below is based on the "Event Archives" located on the Events page of the CRFCRC Website. Co-owned dogs were listed with only one owner.

Enjoy, Dawn

By Owner	
The highest number of wins for one owner, out of a possible 125, was 13 with 3 members winning 8 awards.	
13 Wins	McElrath/Leigh
8 Wins	Boraczek/Williams, Brumley, Impey
